<b>SNo.</b>	<b>Queries by Prospective Bidders</b>	<b>Proposed Reply</b>
1.	Make details have been suggested at many a places in the lists for Electronic hardwares and consumables. Can we give quotes of different makes/models with same specifications ? Please let us know where we can mention such deviations in the make/model in the financial bid sheet.	Items of makes and models of same or higher specification can be quoted in cases where the specified make/model is not available anymore in the market.
2.	At a few places, we have noticed that the mentioned make/model is no longer available in the market (ex- Jhalani 855 make for Wire Stripper is not available anymore). So we need to quote different makes in such cases. Please let us know where we can highlight the fact and mention the suggested different make/model in the Financial bid excel sheet.	Items of makes and models of same or higher specification can be quoted in cases where the specified make/model is not available anymore in the market.
3.	Electronic hardware item list includes Assembly table and DC regulated power supply ( <b>Item # 8</b> ). However, these two are not mentioned in the financial bid document. Please let us know whether these two items also need to be included. If yes, how we can include this in the Financial bid excel sheet.	The items that are not mentioned in the financial bid for Item # 8 are not required.
4.	The tender document mentions the following. Does this include both the Electronic Hardware and Consumable item lists ?	Yes.
